Loren's passion for changing the landscape in the RIA space drew her to the Pacific Life Advisory team, which strives to add value for fiduciary financial professionals through the use of advisory-friendly strategies and next-level service.

After beginning her career as a financial professional, Loren briefly moved into the banking sector where she discovered her love for helping clients pursue their retirement goals. Her dedication to retirement services is largely based on her belief that retirement should be a journey, not a destination.

Loren attended Middle Tennessee State University, where she earned a degree in advanced mathematics and built skills she would later use in her financial career. She resides in Nashville, where she was born and raised, and enjoys kickboxing and traveling with her family.
